To: All Miss America Parade Participants
Fr: Sally D. Romonowski

On behalf of the entire Miss America Organization, the Board of Directors, and the 2002 Miss America Parade Committee, I want to take this opportunity to thank you so very much for your participation in this years' Parade! We were blessed with a beautiful full moon and absolutely wonderful weather!

Your entry into our Parade certainly contributed to the overwhelming positive reaction by both individuals and the news media. I trust you will enjoy the enclosed memento of this most traditional event!

Thank you again for your most wonderful efforts! We certainly hope you had an enjoyable time. Keep healthy and happy and I trust I will see you again next year.
