A CUSTOMER is the most important person who is the foundation.

A CUSTOMER is not dependent on us... we are dependent on him.

A CUSTOMER is not an interruption of our work... he is the purpose of it. We are not doing him a favor by serving him... he is doing us a favor by giving us the opportunity to do so.

A CUSTOMER is not an obstacle to our business... he is part of it.

A CUSTOMER is not a "hot potato"... he is a "hand-dipped" cream candy as in feelings and emotions that give life, joy, and meaning and purpose.

A CUSTOMER is not someone to argue or debate with with. He/she may want an opinion, not a customer.

A CUSTOMER is a person who brings us his/her money. It is our job to handle their money today to help build a tomorrow.
